

MNRF Training Course

Feb 18th 2024

AGENDA

Problem: - MNRF lack of knowledge of Rehabbers and rehabbing, especially at the District level.
-MNRF heavily dependent on District Reps.

Solution: Rehabbers give MNRF Rep a basic knowledge of Rehabbers and what they do.

Obstacles: -Concerns less MNRF knows the better
-MNRF push back “Rehabbers are not going to tell us”

Benefits: - Better some knowledge than no Knowledge
-More contact better communications

Training Course: -One week

- designated Rehabbers (Procyon and Shades of Hope to start)
- course outline Professor Debra of Procyon
- written presentation (MNRF likes things written)
- Required material 1) Home Study Guide 2) What are Wildlife are Rehabbers
- 3) others? 4)Certificate after course?

Presentation to MNRF: 1) Written, 2) Benefits list, 3) Sign Off from at least 6 Rehabbers (group effort)
4)Send to ROD and copy Ministers Office

Results – 50% chance of acceptance by MNRF
